PATERSON, N. J.

July 8, 1941.

Mr. Abe Manley,  
Newark, N.J.

Dear Mr. Manley:

If it is at all possible, would you be able to send me a lineup of the Elite Giants? I have all information necessary except that. It doesn't have to be biographical, just the names and positions being sufficient.

Would you also be able to send me sufficient tickets to take care of Paterson, Passaic, and Hackensack papers?

I was counting on attending the game Saturday but find I will have to be in New York the whole day. My brother who will be at the Stadium will see you, however, and I will be able to join you for all the other games.

Will you please send the lineups and tickets to me at 284 17 Avenue, Paterson, N.J., my home address? Thank you and best of luck.

Sincerely,  
*Joe Gootter*
